## EXPERIENCE

### **Moon Blooms, Stonington, CT — Owner/Operator**

January 2022 - November 2022

Planned and implemented each stage of the flower growing process; set-up and maintained drip irrigation; merchandised and sold cut flowers at local Farmer's Market; designed bouquets for special events; maintained plant and soil health; grew flowers throughout entire growing season

### **Burnett's Country Gardens, Salem, CT — Social Media Manager/Cashier**

February 2022 - July 2022

Wrote and scheduled social media posts; took pictures for social media posts; wrote and scheduled weekly newsletter; operated golf cart; opened cash registers; took orders over the phone; completed in-store transactions in a timely and friendly manner; kept storefront tidy and organized; priced plants and other products; notified appropriate department of bulk orders

### **Juniper Flowers, Seattle, WA — Floral Designer**

March 2019 - March 2020

Opened and closed storefront daily; faced displays; kept workspace clean and organized; answered emails; took orders over the phone; worked POS; discussed designs plans with clients; processed flowers; prepped vases & buckets; delivered florals in a prompt manner; set-up and disassembled events independently & with a team; created weekly florals for local restaurants & shops
